## Worship This Sunday, July 5th

We have had in-person worship for the past two weeks and it has been a wonderful success! We have taken temperatures, we had multiple hand sanitizing stations, we did not pass the offering plate, we have extra masks for those without, and we have kept an attendance list should any problems arise. We have **plenty** of room at both services for others who would like to join us.

At 25% capacity in the Sanctuary, we can accommodate 75 folks. We had 41 in attendance on June 21st and 26 in attendance on June 28th.

At 25% capacity in the Parish Life Center, we can accommodate 125 folks. We had 35 in attendance on June 21st and 44 in attendance on June 28th.

We are asking that you **let us know which service you will be attending** so that proper social distancing can be observed. Please call the church office (or reply to this email) to get your name on a list so we can be sure we have enough seats.

We certainly understand if you are not comfortable coming back to worship and we would encourage you not to come if you are not feeling well or have been exposed in any way.

This week the 8:30 service will meet in the Nave & the 11:00 service will meet in the PLC (believe it or not, there are those who actually prefer to meet in the PLC). That gives us plenty of room to spread out and keeps the cleaning between services down to a minimum.

**Thank you!**

### July/August Upper Room Devotions

We have copies of large & small print on the breezeway at the office. Call Carol @ 803-360-7137 if you need assistance getting in after hours.

## YES, WE'RE STILL ON YOUTUBE

We are sorry that we don't have the bandwidth to livestream our services, but Carol is getting them edited and put on our YouTube channel as soon as possible on Sunday afternoons. Being a traditional congregation, we never imagined we would need to have Internet worship capabilities and it's very difficult to get a Wi-Fi signal through stone. Thanks for understanding.
