FODs vs. Fobs

FODs are bad. Fobs are good. Let me explain.

At dinner one evening while my dad was in orientation at Lockheed, he told us that he learned a new acronym that halted everyone's work immediately: FOD—"Foreign Object Debris". If you locate a tiny piece of material in the middle of your workspace while you're building a stealth fighter jet, let's just say you can't just shrug your shoulders and keep going. Everyone has to figure out what that material is, how it got there, and what to do next.

A "fob" has the opposite effect. With a little blue keyring utilizing encryption technology, you are granted access to the workspace you need, when you need it.

Okay, story time over. We're two paragraphs in and hopefully you are now very intrigued.

Recently we added keypads to more of our church doors, we have the ability to change the door code, and that's a helpful step, but it's limited in its usefulness.

So what's better? Knowing the code or having a fob? A fob attaches to your keyring. A code easily escapes our memory (and...our membership...). We will gladly set up a fob for you. The fobs are set up so that we do not have individuals in the building after dark with the exception of official meetings.

Currently, only one of our doors is set up to utilize fobs. If you would like to help raise the funds to change our remaining main building doors to include fob access, please give to SAFETY.

We appreciate everyone's patience as we work through this stewardship concern. We're hoping the fobs make this situation much better!

Blessings!

Pastor Cassie

Ministry Highlights

by Rachel Price

Church Council met January 14 @ 4 pm.

Attendance: All members were present.

- **Homecoming:** will be held on Sunday, April 28th this year. We are making the change to accommodate the Music Camp that is usually held in July, but will be held May 4-5 this year. Molly is expecting a baby on August 7th so camp will have to come a little early this year. Our Youth have a fun project planned which will be presented that day after lunch.
- **Education:** Mini Rally Day will be held during the Sunday School hour on Sunday, April 14th. Graduate Recognition will be held April 21st. **Evangelism** is in charge of Shrove Tuesday pancake supper @ 6 pm. St. Peter's Night at the Blowfish will be May 31st.
- **Property** is considering replacing the carpet in the hallway connecting the elevator lobby and the nursery hall while they can still get flooring to match. Property has also been asked to cut down the old oak tree in the staff parking area as it is dropping dead limbs. They will have arborist, Wes Swygert come have a look. Cleaning the carpet in the sanctuary was also discussed as there are some bad stains. Please consider drinking only water in the sanctuary.
- **Scouts** were given a brand new HVAC unit for the Scout Hut. Chris Marcolini will install. The Recharter paperwork has been submitted.
- **Service:** Rachel Price & Donna Shealy will serve as co-chairs this year. Blood Connection will be used versus Red Cross this year.
- **Youth:** After discussions with our students, it was decided (because of busy AM schedules) to forgo breakfast & instead to go out to dinner once a month. These dates have been added to the Spring calendar. We continue to search for a new youth director.
- **Lenten Offering** was designated for Tartu. We will learn all about that when Pastor Siimon comes to visit us February 25th.

Next meeting is February 11 @ 4 pm

CALLING ALL SCRAPBOOKERS

If you enjoy working on scrapbooks and would be interested in gathering with other like-minded folks to "scrap" and share ideas, please contact Debbie Marcolini. There is a small group discussing meeting monthly to work on our books. No experience required. Next meeting is February 10th from 10 am—4 pm in the Fellowship Hall.

Special Guest

Join us on Sunday, February 25th as we welcome Pastor Siimon Haamer to St. Peter's. Pr. Siimon is the President of the Tartu Academy of Theology in Estonia. TAT is a ministry partner of the NALC and a member of the SON network.

Pr. Siimon is a 3rd generation Lutheran pastor. His grander, Harri, spent 8 years in a Russian labor camp for preaching the Gospel. Following this, he was given "limited freedom" but was not able to return home. He was sent to Estonia where he continued ministry until his death. Harri wrote a book about his journey, *We Shall Live in Heaven*, and it is available on Amazon. We also have a few copies at the church. (The Wednesday night Mustard Seed Bible Study group is currently reading it.)

Pr. Siimon's father Eenok continues to serve three congregations after retiring from TAT. Pr. Siimon also has two brothers who are ordained Lutheran pastors and a nephew who is currently in seminary.

We look forward to hearing him preach at both of our morning services. He will also have a presentation for us during coffee time/Sunday School in the PLC.

Women's Ministry has undertaken to supply Lighthouse for Life with 5 Freedom Bags. These bags are given to the rescued victims of trafficking and provide basic necessities for personal care; and as a way to show Christian love and kindness.

We would very much appreciate any financial support you could provide to assist us with these bags. Your donations should be marked "Freedom Bags" and may be placed in the offering plate.

1000 Thank Yous

This year in our ministry we are placing a special emphasis on expressing our thankfulness to others. All are invited to take part in our congregation's challenge to write "One Thousand Thank Yous" this year. Take a card from this table or use your own, jot down a simple thank you note, and give it to someone you want to thank!

Do you think we can send "One Thousand Thank Yous?"

You can help us track our progress by adding to our display board. When you write a card, please take a mini Post-it note, write the name of the person you are thanking, and stick the Post-it note on the display board.

There are several ways to send your thank you notes:

Drop your card for a church member right in our mail shelf created by Brenda Hedgecock near the Fellowship Hall .

(Thank you, Brenda! There, only 999 more to go!)

Hand deliver your card! You could brighten someone's day.

Send your card in the mail. Yay, something other than a bill!

Who will you thank?

A committee member for all their hard work.

Our choirs for their musical offerings during our worship.

A coworker for helping you with a big project.

A classmate or neighbor for their friendship.

A young family for bringing their baby to worship with them.+

The clerk at Publix that is always smiling & helpful!

And anyone else you can think of!

The people we cherish and the reasons for giving thanks are endless! Donations are welcome for thank you cards (blank inside). If you have any questions or you'd like to share a God moment, contact the Pastors!

Educational Ministry

Jesus Love the Little Children

“All the children of the world...” I remember singing this in Sunday School as a child. This song continued to resonate with me as I got older. When I stumbled in life, knowing Jesus loves me helped to know I could be forgiven. How do I know Jesus loves me? By study and learning.

We worship and learn about God the Father, Son, and Holy Spirit in church. We strengthen our learning about God the Father, Son, and Holy Spirit in Sunday School. The Bible is where God reveals Himself to us. It is where we truly learn the enormity of grace. Learning with our brothers and sisters gives us a bigger view of the vastness of God’s grace and mercy. What we learn in Sunday School lasts us our whole lives. We learn even more how to have a relationship with God.

Sunday School, Confirmation, and Bible Study are the ways available to us to learn about our God and what He desires for His people. The learning doesn’t stop when we are confirmed or become adults; it continues on as we strengthen and grow our relationship with God.

When we go out into the world as children of God, we need to have a strong foundation to speak truth and to stand firm in our faith. Hebrews 11:33 lets us know why, “who through faith conquered kingdoms, enforced justice, obtained promises, stopped the mouths of lions.” this is why Sunday School is important.

Thank You Notes

Fellow Church Members,

My family and I want to thank you for all of the kind and caring gestures shown to us after Clayton's death. Our pastors and choir members were so instrumental in helping us have a meaningful service for him and the meal served afterwards was wonderful. We have also received countless calls and cards from so many of you. You have truly shown us what a blessing it is to have a caring church family to support you in such a difficult time.

In Christian Love,
Brenda Rawl & Family

To all those who brought us the beautiful cantata—THANK YOU! It was truly the blessing of the season—much work, but so amazing!

Thank you!
Michael & Gloria Sargent

Dear Church Family,

Thank you to everyone who prayed for & checked in on my while I recovered from my recent shoulder surgery.

I continue my physical therapy & hope to fully recover over the next few months as my strength returns.

Thanks,
Ted Zee

Church Family,

Claude and I would like for the congregation to know that we appreciate the love and honor bestowed on us by placing altar flowers in our honor on both occasions. Claude began his love for God by being an acolyte in the original white church at the age of 12. He spends many hour and days looking over problems that come up in the church and on the property.

I enjoyed being the Librarian from 1979 when Pastor Dawkins helped me being our library. Now I am honored to work in the Archives.

Our love for God and the church (people) guides us to do what we do and God has blessed us in so many ways that this is our way of thanking Him and giving Him our praise.

We are grateful for all your blessing,
Claude & Elizabeth Lindler

Dear St. Peter's Family,

Thank you all so much for your support of our work with veterans, contractors & families. Your gift, especially during our Annual Christmas Ornament Adoption Appeal is, greatly appreciated. The funds raised during this appeal go directly to cover the costs of the counselling & programs we provide those who serve for free.

God's blessings & Happy New Year,
Leslie & Deb
