It's been a great 5 months together! You all are learning me and I am learning you! If you haven't figured it out yet, there are some things I do a little "different". Just chalk it up to the fact that for me, ministry is fun and enjoyable. In Ecclesiastes 3 we find the following words:

¹⁰I have seen the business that God has given to the children of man to be busy with. ¹¹He has made everything beautiful in its time. Also, he has put eternity into man's heart, yet so that he cannot find out what God has done from the beginning to the end. ¹²I perceived that there is nothing better for them than to be joyful and to do good as long as they live; ¹³also that everyone should eat and drink and take pleasure in all his toil--this is God's gift to man.

These few verses sum up ministry for me. In times of joy, sorrow, celebration, and grief ministry is present. And in all those times God is very present, and our comfort comes from his presence. As the church we minister to each other in all those moments, which reminds me of our call to pray. Those of you that get emails from me regarding prayer requests know that I always use the word "Oremus" as the subject. Oremus is Latin for "Let us pray." We all get bombarded with emails every day, many of which we just delete. But if you see the subject "Oremus", you know that is it an email you need to read because the church is being asked to pray. Another Latin word that I will often end an email with is "Pax". Pax is Latin for "peace". The church is steeped in our Latin tradition, and although we do not worship using only the Latin text anymore, using Latin occasionally is a reminder of our roots and our connection to not only the whole church catholic, but to all the saints that have gone before us. Regarding email, one more note about email etiquette...a question generates a response. If I email you and don't ask a question, know that you are welcome to reply but it isn't needed. If I do ask a question and you don't reply, then I know to follow up with you the next time I see you. It's a habit I developed many years ago that helps with communication.

One more question I get often also is about the three letters "STS" following my name. This too has a Latin connection. In 2010, I subscribed to The Rule of the pan-Lutheran Ministerium *Societas Trinitatis Sanctae* (Society of the Holy Trinity). The Rule is a document formulated by orthodox pastors in 1997 for the purpose of holding each other accountable to the vows that we as pastors made at ordination. To be a subscriber to The Rule means that we

Church Business

(continued from pg. 1)

will be faithful in holding each other accountable as faithful ordained pastors of the church. For more information about STS you can visit societyholytrinity.org or feel free to ask me about it.

I hope this article has been informative for you. I look forward to continuing to have fun with you as we do ministry together.

Pax,

Pr. Judson

Lutheran Men

All men of the church comprise the “Lutheran Men” and are all invited to join us for dinner and a program on the first Monday of each month. Details on our next meeting:

When: Monday, June 5, 2023 @ 6:30 pm

Where: Fellowship Hall

Speaker: Raymond R. Ammarell, P.E.

Topic: Construction of the original “Lake Murray” Dam

RSVP: Bill Jennings @ 803-996-0752

Ray Ammarrell has B.S. and M.S. degrees in Civil Engineering from the University of South Carolina and is a Registered Professional engineer in South Carolina. He has been with SCE&G (now Dominion Energy) for over 29 years and is currently Manager of Dam Safety and Hydro Compliance. His experience includes overseeing engineering, permitting, and quality control activities for the Saluda Dam Remediation Project, working in relicensing, dam safety, and FERC license compliance at the hydro facilities and managing the decommissioning and demolition of Canady’s Generating Station in Colleton County, SC.

Ray’s presentation will cover the construction of the original Saluda (Dreher Shoals) Dam and the Saluda Backup Dam, along with information on the licensing and operation of the Saluda Hydro Project.

Ray is also looking at the original land owner “Option” database to see if we can locate the possible area or cemetery location of the Meetze and Scott families that are buried under the lake and this may give us an idea of where the original church buildings may have been located on 18-Mile Creek. This area is believed to be off Old Chapin Road NW of Governor’s Grant where 18-Mile Creek flowed to the Saluda River. We’re hoping there will be something from the landowner at the time that the land option was purchased prior to flooding the lake. No promises, but he’s going to check to see if that record exists.

PONDER THE DIFFERENCES

MEMBERSHIP	vs.	DISCIPLESHIP
Members look for awards and recognition.		Disciples only want to glorify God in all things.
Members join a club.		Disciples become followers of Christ.
Members join a board.		Disciples discern and deploy their own gifts for ministry by serving on the various church committees and teams.

Member or Disciple? Which one are you?

**Events/Meetings
at the Church**

We have a TON of things that happen on our campus each week. Some are on the calendar ahead of time and some, like funerals, might not be known until the last minute. Because of this, please remember that if your group moves furniture, decorates, or otherwise changes your meeting room in any way, you are asked to please put it back the way you found it so it will be ready for the next event. Thank you!!

Notes of Thanks

Dear St. Peter's Family,

Thank you very much for your prayers & acts of kindness shown to me during my recent hospitalization. They were appreciated very much. I am doing much better now.

With sincere appreciation & love,
Linda Ballington

Dear St. Peter's Family,

We just want to extend our heartfelt love and thanks for your loving prayers, cards, and calls during our journey of illness to recovery.

It has been quite a journey...but the entire time God carried us, comforted, and reassured us. God's everlasting love was evident and so cherished. Prayer is a powerful prescription. It works!

We are grateful for your ongoing faithful prayers that lifted us up on our journey. Right now Don's scans showed no cancer!

Thanks be to God!

Church Smiles

Lot's Wife: The Sunday School teacher was describing how Lot's wife lookback and turned into a pillar of salt, when little Jason interrupted. "My Mummy looked back once, while she was driving," he announced triumphantly, "And she turned into a telephone pole!"

At the Post Office: There was a very gracious lady who was mailing an old family Bible to her brother in another part of the country. "Is there anything breakable in here?" asked the postal clerk. "Only the Ten Commandments," answered the lady.

Amish Country: While driving in Pennsylvania, a family caught up to an Amish carriage. The owner of the carriage obviously had a sense of humor, because attached to the back of the carriage was a hand printed sign... "Energy efficient vehicle: Runs on oats and grass. Caution: Do not step in exhaust."

Sunday School Lesson: After church, a mom asked her very young daughter what the lesson was about. The daughter answered, "Don't be scared, you'll get your quilt." Needless to say, the mom was perplexed. Later in the day, the pastor stopped by for tea and the mom asked him what the lesson was about. He said, "Be not afraid, thy comforter is coming."

News You Can Use

Welcome to our series...

Everything You Wanted to Know About _____ But Were Afraid to Ask

This month: *Saving Money in the Office*

I know, I know. I haven't done this series in a while, but, we have lots of new folks who have questions. I have answers. You may not like them all (the answers, that is), but I'm sharing them just the same. Call me with questions. See the disclaimer at the end.

- **WHY are you so obsessed with saving money?** I feel we need to be good stewards of the gifts and resources God has provided for us to use here at St. Peter's. To that end, if we can reuse or recycle something to save a little money, then I think we should.
- **WHAT is your latest plan to save money?** Ditch bulk mail. Mail delivery, as you have all noticed, has gotten unreliable and the cost has gotten out of hand. To begin with, it must be delivered to the Post Office in Red Bank. Our official Bulk Mail Technician, Robert, has retired, and his position will not be filled. Before Robert retired, our mail was sorted & delivered promptly. Now it sits, sometimes as long as a week, before this process begins. This explains why some of you haven't been receiving your newsletter until later in the month. In addition to the questionable service, our costs for this are going up by 50% beginning in July. If the carrier can't deliver it, it is sent back to us and we are charged AGAIN for it to be returned.
- **HOW do we fix it?** Our plan is to print the newsletter as usual & have the copies in the Narthex, breezeway & PLC lobby for pick up. What about the Homebound? Theirs will be delivered to them when they receive communion.
- **WHAT does this mean?** The Loving Group will still assemble the newsletter as usual and we thank them for their faithful service! These folks will take theirs home that day as they used to and the remaining copies will be distributed as listed above.
- **HOW did you get so good at saving money?** Steve and I decided before we were married that we would live on one salary so I could stay home with the kids. Surviving on a state employee's salary, we got creative & did without a lot of things, but I wouldn't change it for the world.

Serving Him & Loving it!

Greetings from The Loving Group

If you're new here, you may not know about this fabulous group! The Loving Group is made up of some of the finest folks around! They are retired and get together in the Fellowship Hall on the last Tuesday of every month for a little work, a little play, and a whole lot of fun! But the most important thing you need to know about this group is that it contains some of the best cooks in the church!! Because of this, they are constantly asked for their recipes for this & that. This month we are featuring one of the favorite desserts from one of our recent "family" gatherings.

Jenny's Honey Bars *(Jenny is not a member of Loving Group, but has kin folk that are.)*

1 cup sugar
2 cups plain flour
1 tsp. baking soda
1 1/2 tsp. cinnamon
1/2 tsp. salt
2/3 oil
1/4 cup honey
1 egg
1/2 cup nuts (optional)

Glaze *(optional)*

1 cup confectioners' sugar
1 Tbl. Mayonnaise
1 Tbl. Milk
1 tsp. vanilla

Combine & pour over warm cake. Spread with spatula. Let cool. Cut into bars.

Preheat oven to 350°. Mix all dry ingredients in a bowl, add oil, egg, and honey, then nuts. Mix well. It will be very thick. Bake in a 9x13 glass pan for 15-18 minutes. Cool. Then cut into squares.

***Join The Loving Group at 10 am in the Fellowship Hall on the
LAST Tuesday of each month for food, fun, & fellowship!***
