National Tongue Twister Day

Tongue Twisters!! They are used by theatre folks around the globe to help with vocal presentation and projection. They also encourage connection and dexterity between the brain, the tongue, and the articulators. Here are some fun samples. Say each line over & over, gradually increasing tempo until you get mixed up and/or crack up.

- ☺ Unique New York
- ☺ Red leather. Yellow leather.
- ☺ Toy boat.
- ☺ Three free throws.
- ☺ Rubber baby buggy bumpers.
- ☺ Reb bulb. Blue bulb.
- ☺ Cinnamon, aluminum linoleum.

Now you're ready for the advanced class or tongue twisters...

- Which wristwatch is the Swiss wristwatch?
- The big blue bug bit the big black bear and the big black bear bled blue blood.
- All I want is a proper cup of coffee made in a proper copper coffee pot.

- I thought a thought. But the thought I thought wasn't the thought I thought I thought.
