

Golden Agers Rock!

CELEBRATING SENIORS MAKING THE BEST OF THE REST OF THEIR LIVES

VOLUME 7, ISSUE 1

JANUARY 6, 2023

Yes, I'm Responsible...

Well, I DID create that last newsletter (see enclosed), but had to make a trip to Brevard to help with sick grands so it didn't get mailed.

Friday, January 13th is "Blame Someone Else Day" so I guess I could blame it on travel or on the holidays or on the sick babies. But, the truth is, it was my fault it didn't get mailed. Yep, I'm responsible! Instead of mailing these from Brevard, I got invited (or rather drug by the arm) into (yes, INTO) the large playpen to play with Cody! When we weren't playing we were rocking or I was helping with laundry. Josie is cooing & playing with her feet so there was lots to do with her as well. They grow so fast! I don't want to miss any more than I already do.

I once had a boss that told me I was a very responsible person. Any time something goes wrong, I'm usually responsible. Yeah, that's accurate.

Ok, now on to important stuff!
